

NAME

Animal signs

You may not see many of the animals that live in Wilderness Wood. You will see signs of them – footprints, shelters, droppings, feeding places.... What can you find?

Animal shelters

An animal's shelter is where it gets protection from the weather and from other animals. Draw a line to match the animal to its shelter. How many shelters can you spot in Wilderness Wood?

Animal		Shelter	Tick - Spotted!
Blackbird			<input type="checkbox"/>
Mole			<input type="checkbox"/>
Fly larva			<input type="checkbox"/>
Squirrel			<input type="checkbox"/>
Woodmouse			<input type="checkbox"/>
Rabbit			<input type="checkbox"/>

Animal tracks

Can you find these animal tracks in Wilderness Wood?
