### Bear Hunt and Bear Picnic Package

Lucy's Little Forest School brings stories to life in the Wilderness Woods. Let's go through the forest.....stumble trip! long wavy grass and squelching mud, there's everything you need to stimulate the imagination. We provide a rich environment roofed only by sky (and a few gems from our own store cupboard).

Adapting the popular story, we'll go on an exploring walk, hunting for the bear of the woods. We're not scared! We'll investigate sounds, shapes, colours and textures along the way. When we find the bear, we discover that he's more afraid of us than we are of him. He hasn't got a safe place to live, so we'll make him a home from woodland materials, a garden to play in and collect some food for his picnic. The Children are asked to bring a bear or soft toy.
